

BIEPA

NEXT MEETING
7:00pm Monday 28th June 2021

ANZAC Room Bribie RSL
99 Toorbul Street. Bongaree

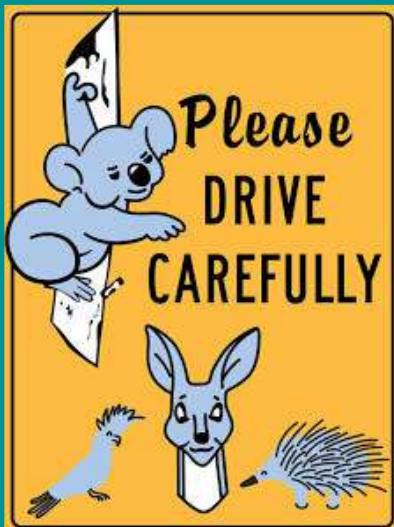

**SLOW
DOWN**

**WILDLIFE
CROSSING**

GUEST SPEAKER:

Bernadette May
Senior Environmental Planner
Green Infrastructure Networks
Moreton Bay Regional Council

Bernadette will be speaking about the MBRC **Green Infrastructure Program** as part of Integrated Transport Planning & Design.

This Program Delivers: Wildlife movement infrastructure including fauna rope bridges, underpasses, fencing, driver awareness signage, road stencils, large-scale tree planting, habitat boxes and monitoring.

The Program has installed: 20 fauna rope bridges connecting tree canopy habitat; 10 fauna underpasses for wildlife passage; 10,000 metres of fauna exclusion fencing along roadsides; 50 wildlife road pavement stencils in key crossing locations.

Bernadette needs you to report and help identify hotspots

Caring for our special habitat and its residents
